Event Spaces

We offer two unique private dining areas for up to 25 guests, the **Chef's Table** and the **Wine Cellar**, each of which is booked on a first come, first served basis and requires a **minimum food and beverage guarantee** (which varies based on the day/month of your event – see pricing on respective pages below.) Please note that the **Wine Cellar carries an additional room fee** and that both rooms are available for private luncheons. You may also rent out the **entire restaurant** for private parties of up to 70 guests (with sufficient notice.)

Menu and Beverages

We ask that you select one of our **prix fixe menu options** and that you pre-select wines when booking an event with us. **We have a large selection of boutique wines and offer a full bar** for private parties. All food and beverage costs (including wine & alcohol) are applied towards minimum guarantee, exclusive of tax & tip.

Additional Charges

For private parties we charge an 18% gratuity, 3% administration fee and 8.875% New York sales tax. In addition, please note that we charge a \$2 coat check fee per person from Nov-Feb for private parties.

Party Favors

We offer custom gifts from *il Buco Alimentare*, our private line of olive oil, sea salt & balsamic vinegar. Please inquire for more details and product availability.

Booking /Deposits

Our private party spaces are secured once a 30 % deposit (of the minimum guarantee) has been placed. The remaining balance is due upon completion of the event. The deposit is non-refundable unless the event is canceled within 10 days prior or 21 days prior to the date during the holiday season (November & December) and/or for a full facility buyout. We accept American Express, Visa, MasterCard, Discover and Cash.

The Chef's Table

For those guests looking for a more intimate connection to the chef we recommend our **Chef's Table**, a cozy semi-private dining area at the back of the restaurant opposite the kitchen. Through open arched beams of the pass-through, guests can witness first-hand the artistry of our Chef and kitchen in full swing.

Settle in at a long rustic table with cushioned banquet, hanging cooper pots and a brick wall lined with our exquisite wines and enjoy the view. The Chef's Table is private from the main dining room and can accommodate up to 18 guests for a seated dinner option only.

The Wine Cellar

Our **Wine Cellar** is a magical setting for any occasion. Located down a flight of stairs off the main dining room, the Cellar is a hidden gem that even many regulars don't know exists. It's full of rustic, old world charm with small brick caves containing our carefully selected Boutique wines and legend has it that this room inspired Edgar Allan Poe's story, "The Cask of Amontillado". The Cellar can be reserved exclusively for your event for the entire evening and can accommodate a standing reception and/or a seated prix fixe dinner for approximately 20 guests. Please keep in mind that this is a working wine cellar and that we do ask a **room fee in addition to the food & beverage minimum.**
